Dear Applicant:

In your letter dated July 15, 2019, you requested reclassification of foundation status as a public charity.

Our records indicate you are classified as a private foundation. You claim you're erroneously classified and are requesting correction of the error.

Based on the information you provided, we determined you meet the requirements for classification as a public charity described in IRC Section 509(a)(2) and updated our records.

Because your tax-exempt status wasn't under consideration, you continue to be classified as an organization exempt from federal income tax under IRC Section 501(c)(3).

This letter could help resolve questions on your foundation status. Keep it for your records.

Sincerely,

Stephen A. Martin
